WINSTON'S GRADED SCHOOL.

A Leading Institution in North Carolina.

Winston's Graded School has now the reputation of standing at the head of similar institutions in the State both as to size and convenience of the building and the manner of its internal management.

A magnificent library of the latest and best standard works, including Histories, Biographies, Pedagogies, Fiction and every class of the best current literature, has just been added to the School at an outlay of \$3500.

An able and progressive corps of teachers in splendid working order are building and cultivating the minds of 500 students, after the most approved methods of Education. The plan of work is admirably systematized. At the hour of dismissal in the evening the piano in the hall strikes up a march and immediately the simultaneous tramp, tramp of moving feet is heard all over the building keeping time to the music as they march out.

The whole force is marshaled out in front of the building and arrayed in line when the top of the bell sounds the signal to "break ranks." Nowhere in the State can a Graded School be found operated on more approved methods and this institution is a credit to North Carolina and the South.

GREENSBORO BUDGET.

THE CREAM OF THE WEEK'S NEWS FROM THE CITY OF FLOWERS.

Superior Court in Session—A Visitor from Across the Water—One of Greensboro's Characteristic Concerts.

GREENSBORO, Dec. 20.—Special Term of Superior Court has been in session the past week Judge Connor on the bench J. H. Dillard, Jr., acting Solicitor, assisted by Col. Boyd. It is evident that the decisive and incisive course of Judge Clark upon the bench—his prompt and impartial manner of dealing with offenders, has had and is still having a salutary influence upon the crime. Without sacrificing their own manhood, and falling into the error of merely copying another, to a certain conservative extent, they are making his methods their own.

It is a fact, no less significant than it is fortunate and remarkable, that the incumbents of an elective office are preserving their integrity to a gratifying extent. All honor to our conscientious judges.

Rev. J. J. Royal, missionary to China, sent out by the Virginia Conference six years ago, but now on a visit to friends in the United States, is a marked exception as a lecturer. He returned to this country only a few weeks ago, specially to benefit the health of his wife and little son. From the North Carolina Conference at Reidsville he came to this place by special request of the Woman's Missionary Society, and preached and lectured on China. The good brother has certainly kept his eyes open and used them to good purpose while in that far off land, and no one I have ever heard speak on that oft treated subject could so make the listener to realize what he portrayed.

Whether it be gift or acquisition, his audience was entertained, instructed, *churched*, by the rapid delivery of the very choicest gems. Simplicity and pathos were so blended with what he told, and how he told it, as to thrill the missionary heart with a magnetic fire, and seemed to bring the idolatrous Oriental to our own very doors.

STUBBINS.

Tilting of Baptist church is about all on.

Skinned rabbit 5 cts. each. Partridges, dead or alive, 7 cts. each.

The concert for the benefit of the Greensboro Cornet Band Thursday night was a most enjoyable and highly artistic affair.

It is well known that Greensboro ranks with Salisbury and Salem in its coterie of trained and talented musicians, and the entertainment Thursday night was an eminently characteristic one. All the best Amateur talent of the city took part, assisted by Prof. Fossitt and the Messrs. Woodroffe, and the concert was a gratifying success, financially and otherwise.

—The many young lady and gentlemen friends of Miss Minnie Osburn, tendered her a very pleasant surprise party last Saturday evening, at which she was the recipient of many handsome and useful presents. Refreshments were served in abundance and together with social plays and "chats" the evening was passed most pleasantly by all present. The surprise was tendered Miss Minnie in honor of her birthday.

—Mr. K. J. Reynolds, who purchased the Merchants' Hotel at the Pfohl & Stockton sale last Thursday, will begin at once to make the necessary improvements in the building. It will be re-painted and done up in a cozy style.

A Grand Record.

We call your attention to the advertisement of a remedy which has stood the test of more than a half century with increasing popularity and is universally admitted to have no equal as a medicine for the cure of diseases originating in a disordered Liver, such as Dyspepsia, Biliousness, Constipation, Colic, etc. Simmons' Liver Regulator is a simple and harmless medicine, purely vegetable and can be safely and advantageously used under any circumstances. It is mildly and effectively valuable as a Family Medicine, which position it holds in so many homes. We do not know another preparation which can bring forward such indisputable proofs from heads of families and those holding the highest official and social positions. Keep Simmons' Liver Regulator in your house. It will reduce your doctor's bill and insure for your families health and happiness. It is not to be wondered at that so popular and efficacious a medicine should be counterfeited. The medicine they cannot simulate, but they copy its exterior, general appearance and use names so suggestive of Simmons' Liver Regulator to catch the unwary. Don't risk your health, perhaps life by not exercising proper discrimination in buying. Be sure you are right. Look and see that you get the Genuine which has always the Trade Mark Z in red on the front of wrapper and the signature of J. C. Z. Zoln & Co., on its side.

Harper's Young People

An Illustrated Weekly.

Harper's Young People has been called "the model of what a periodical for young readers ought to be," and the justice of this commendation is amply sustained by the large circulation it has attained both at home and in Great Britain. This success has been reached by methods that must commend themselves to the judgement of parents, no less than to the tastes of children—namely, by an earnest and well-sustained effort to provide the best and most attractive reading for the young people at a low price. The illustrations are copious and of a conspicuously high standard of excellence.

Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effective relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used.—C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe Cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night Sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

LAST YEAR I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

SAVED MY LIFE. I am now ruddy, healthy, and strong.—James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after I had been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health.—Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life.—Samuel Griggs, Waukegan, Ill.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life.—C. G. Van Alstyne, P. M., North Chatham, N. Y.
